

This Hotel is the headquarters of IBERHUNTING

for all the hunting
in Almería (Andalusia)

This villa is the headquarters for our hunts in the region of Almeria, after the hunt you can always enjoy to go swimming, during our hunting program from May to October to hunt the Barbary sheep and wildboars.

The villa is located in a beautiful area in the middle of another hunting area from us, in the evening we always organize Barbacue surrounded by nature.

You can also take your family while you in the time when you are hunting, the family can have his fun in the pool and be driven to the beach.
